

VOLUNTEER WITH FULL CIRCLE

Be part of meaningful work that truly matters! Full Circle is a mission-driven resale boutique providing purposeful employment and a dignified, supportive workplace for young adults with disabilities. Our employees are the heart of our store, and volunteers play a key role in supporting the retail experience so the mission can thrive.

What a Volunteer Does

Volunteers support the retail and customer experience side of the store. A typical shift includes:

- Greeting and assisting customers
- Ringing up purchases and providing excellent service
- Helping keep the store floor neat and welcoming
- Working alongside our employees with disabilities in a respectful, collaborative way

Many store roles are intentionally reserved for our employees. Volunteers focus on customer service and retail flow, allowing our employees to take ownership of the work that defines Full Circle.

Volunteer Responsibilities

- Check out and assist customers
- Support employees in their roles on the floor
- Tidy and organize areas not handled by employees
- Maintain a positive, welcoming atmosphere
